

## **Force Modernization**

#### READINESS DRIVERS

- Modernization / Recapitalization
- Aging Systems
- Spare Parts
- Preferred Munitions

# Infrastructure Challenges

**READINESS DRIVERS** 

- Real Property Maintenance (RPM)
  - Estimated backlog of \$5.7B doubles over FYDP
- •MILCON Need to recapitalize infrastructure
  - OPLAN/Enroute Infrastructure is a priority
    - -- Great progress in DLA fuel systems
- Bottom line:
  - Deteriorated infrastructure impacts readiness, morale, and retention

## **Logistics Automation**

Existing and emergent logistics systems are being upgraded to use AIT

Global visibility systems are being improved or developed that provide more web-based, single sign-on access with TAV, ITV

# United States PACIFIC COMMAND

This is why we must do our best!
